*Certain restrictions apply. Available on new memberships only. Current AAA Members are not eligible. Pricing effective as of August 1, 2018 and subject to change. Offer is for first year of membership only. Normal dues apply at renewal. Not available in all markets. There is an initial 7-day waiting period for some services.

**Certain restrictions apply. Free battery replacement benefit is limited to one (1) battery per household per membership year if a AAA Mobile Battery Service test during a roadside service call indicates a replacement is needed. The service technician deployed, in coordination with AAA, shall have sole discretion as to whether a replacement battery is necessary. Mobile Battery Service is available from 6am to 11pm in most areas. Stock is limited to conventional lead-acid batteries, with coverage available for most vehicles. Batteries for hybrid vehicles are limited to select makes/models. In some instances, where the original equipment is not available, a similar alternate battery may be offered in substitution. Should service or a substitution not be available, you may submit your request for reimbursement consideration up to \$125. You must make every effort to contact AAA to request battery replacement service through AAA Roadside Assistance prior to proceeding with a replacement on your own. AAA reserves the right to decline reimbursement if proper process is not followed. Reimbursement requests must be submitted with the original receipt within 60 days of battery replacement. RV and specialty batteries not included.
