

Ohio MyFamilyPCP Member Dental Plan—2021

This dental plan is available exclusively to MyFamilyPCP Member Dental Plan members with an effective date on or after January 1, 2021. Rates are guaranteed for 12 months when implemented by December 31, 2021. Current groups with SDC may not be eligible for these rates.

National network

SDC's network of participating dentists and specialists offers coverage across the country with **one of the largest dental networks in the United States**. *Enrolled Members are encouraged to seek care from a participating dentist.* Please visit SDC's website superiordental.com for a directory of participating dentists.

Value-added benefits are offered to members with every plan

SDC Mobile: Our convenient app gives members on-the-go access to their plan and Mobile ID card.

Free Second Opinion: SDC will provide a no-cost second opinion by a participating dentist for covered extensive treatments that include numerous or costly services.

SMILERIDER™: This is a supplemental cosmetic rider that provides a 15% discount for elective cosmetic services including teeth whitening, veneers, bonding, porcelain facings, etc.

Vision Discount: Administered through EyeMed Vision Care® Discount Plan, members enjoy discounts on vision products and services.

Prescription Discount: This discount provides a savings of up to 20% off retail price on many prescription drugs at participating pharmacies.

Selling guidelines

SDC has included this dental plan to be offered and promoted exclusively to MyFamilyPCP Dental Plan members. MyFamilyPCP Dental Plan members must follow the guidelines listed on this rate sheet. These plans are administered through John Harder with The Scheller Bradford Group. Please forward a completed Member Application and Auto Pay Form to John Harder at the contact information below.

Enrollment: Submit the completed enrollment forms to John Harder by the 10th of the month prior to the effective date of coverage. For example, if January 1st is the chosen effective date, all enrollment paperwork must be received by SDC no later than December 10th. When members (and dependents) enroll on the plan initially, they are required to stay on the plan for 12 months from the initial effective date. SDC offers open enrollment once per contract period during the month prior to the renewal of that contract period. Enrollment changes can only be made at open enrollment unless there is a Qualifying Event (i.e., change in marital status, birth, etc.). All Qualifying Event changes must be submitted to SDC within 31 days of the event.

Individual MyFamilyPCP Dental Members: The monthly premium will be auto-deducted from the designated account on the 10th of the month (or the next business day).
